

STE Unplugged: Intimate Narratives of Today's STE Revolutionaries

Remember those brainy innovators from our STEP Up series, guiding you through groundbreaking public service projects? Ever wonder how they got there?

Meet them up close in STE Unplugged!

Dive behind the scenes to discover how these STE superheroes crafted their paths to innovation. Merging their passion for invention with personal tales, we're showcasing the people behind the projects—their hobbies, inspirations, and the unique journeys that led them here.
